

# Have you had your baby's eyes checked?

*You're invited  
to help protect your infant's  
eyes with a no-cost  
eye assessment.*

## BY APPOINTMENT

### Monday, May 11 – Friday, May 15 Participating optometry offices

Governor Christine Gregoire has declared InfantSEE® Week; if your infant is six to twelve months old, this is the perfect time to schedule a comprehensive eye assessment – at NO COST.

## Did You Know?

- Visual development is most dramatic between six and 12 months of age.
- One in 10 American children have undiagnosed vision problems which, if undetected, can lead to permanent visual impairment, developmental delays, and, in rare cases, life-threatening health risks.
- One in 100 children will exhibit an eye disease.

For more information, visit [www.InfantSEE.org](http://www.InfantSEE.org) or call 888-396-3937.

*InfantSEE® is a public health program developed by Optometry's Charity™ - The AOA Foundation in partnership with The Vision Care Institute™, LLC a Johnson & Johnson company. The program was designed to provide professional eye care for infants nationwide at no cost regardless of family income.*

The following optometrists are offering  
no-cost eye assessments –
